Open letter to all staff

Esteemed Staff of the University of Ibadan,

Greetings,

I am fully aware of the fact that January salary is yet to be paid and as a stakeholder I feel your pain. As you may be aware the situation appears general across the country.

I appreciate your understanding and personal sacrifices to the University in this trying period. We are hopeful that the government will do the needful soon enough.

Thank you, and God bless you.

Professor Kayode Adebawale, *nni, FAS*
Vice Chancellor
