**“VALUES WITHIN REACH”**

**An End-of-Ramadan Message to the University of Ibadan Community**

On behalf of the Management, I wish to congratulate the University of Ibadan Muslim Community and all Muslim brothers and sisters on the successful completion of the holy month of Ramadan.

Ramadan is one of the significant tests of the Muslim’s obedience, self discipline, and love for others. These are three of the critical characteristics that seem to be in short supply in our nation today. Your demonstration of these in the holy month shows that they are not unattainable utopias but, in fact, virtues that are within human reach.

May we all imbibe these virtues so that our march to national development will not be a mirage.

We salute your self-denial just as we appreciate your ceaseless supplication on behalf of the University of Ibadan and our nation.

May Almighty Allah, accept your supplications and reward your self-denial.

Thank you.
