#### **Knowledge Transfer Partnership (KTP) with Tosmat Food and Agro Products in Partnership with the University of Ibadan and the University of Hertfordshire**

The University of Ibadan is the premier university in Nigeria, with a track record of success. The institution is seeking an innovative and motivated individual to lead the development of new strategies to improving cassava processing into finished products in Tosmat Food and Agro Products. This will involve the application of technologies and management approaches to improve the company's ability to strengthen existing production capabilities and development of novel products. The appointment is in partnership with the University of Hertfordshire, which had existed since 1952 and it is known for powering the progress of students, the community and industry by filling the skills gap with talented graduates that businesses need, right on time.

Tosmat is a company that currently operates with a unique positioning in the cassava processing category. The company's product is mainly 'gari', but aims to improve the current efficiency and effectiveness in its production, and to further expand into production of novel derivatives.

Application is hereby sought from suitably qualified graduates to deliver a KTP with Tosmat Food and Agro Products in partnership with the University of Ibadan and the University of Hertfordshire. The appointment is for 15 months and fixed full time contract. The successful candidate among other duties is required to interact with different team members of the project to ensure efficient knowledge exchange.

Applicants in addition to possessing M. Eng/M.Sc. or higher degree in Engineering, Agriculture or related field should preferably have experience in enterprise resource planning, quality management systems, lean and behavioural process interventions, production of High Quality Cassava Peels (HQCPs) and product commercialization.

Applicants are expected to submit (15 copies) of the following documents to the Office of the Deputy Registrar, Human Resource and Development Division (Academic Staff) on or before 28 February, 2023:

1. Application Letter
2. Detailed Curriculum Vitae
3. Research Plan
4. Vision for the position

Only the applications of short - listed candidates will be acknowledged.
