- The 2023/2024 first semester examinations will start on Monday, 23 September, 2024.
- The portal for registration will be closed on Friday, 20 September, 2024.
- There will be no re-opening of the portal for fee payment or course registration after 20 September, 2024.
- *Students are to show evidence of registration (printout), which makes them bonafide students of the University of Ibadan, before admission into halls of residence*
