APPLICATIONS FOR THE 2023 NHEF SCHOLARS PROGRAMME

The Nigeria Higher Education Foundation, NHEF, Scholars Programme for 2023 has been announced.

The programme which provides Nigerian undergraduates with a range of opportunities is designed to aid them in long term career development.

The Scholars Programme has become an annual event and targets talented scholars to participate in the NHEF Fellowship Class. It features sustained career support and coaching with a high prospect of placement of these scholars into the NHEF partner institutions where they gain real-world work experience.

It also provides undergraduates with opportunities to work in leading companies in the following sectors:

- Financial services - Technology
- Human services - Consulting
- Engineering - Law

To qualify, applicants must be:

- (i) Undergraduate scholars in the penultimate year.
- (ii) Well-rounded individuals that have demonstrated excellence in their academic, extra-curricular and professional pursuits.
- (iii) Individuals that possess a strong commitment towards community service, philanthropy and making a lasting impact in society.

Qualified students are expected to apply for the Scholars Programme via the NHEF application portal – <https://portal.thenhef.org/>

Detail on how to create an account, submission procedure and useful resources can be found at <https://www.thenhef.org/2023-nhef-scholars-program/>

Application deadline is **12 May, 2023 at 11.59 p.m. WAT.**

Thank you.
