Special Release

03 August, 2023

Commencement of Ultrasound Procedures in the University Health Centre

This is to inform members of the University community that **Ultrasound Procedures** with colour doppler for Obstetrics (Pregnancy), Gynaecology, Abdomen, Thyroid, Ocular (Eye), Breast etc., **have commenced in the X-ray Unit of the UHS from the month of July 2023.**

This Ultrasound facility is available for members of Staff, Retirees, Students, other members of the University community & its environs, initially every WEDNESDAY, to be subsequently reviewed as the need arises.

Thank you.

G. O. Saliu, MANUPA, MNIM, MAUA
Registrar and Secretary to Council
