**VACANCY
INTERNAL AND EXTERNAL ADVERTISEMENT**

Petroleum Trust Development Fund (PTDF) Professorial Chair in Petroleum Engineering

Applications are invited from suitably qualified candidates for the position of PTDF Professorial Chair in Engineering for the 2023/2024 Academic Session.

The selected candidate shall in addition to research, teach relevant courses in Petroleum Engineering at undergraduate and graduate levels as well as carry out other academic duties as may be assigned by the University. The research area of the prospective candidate shall among others comprise: Flow Assurance and Oilfield Production Chemistry Studies, Molecular Dynamic Models in Flow Assurance Studies and Advanced Cleaner Fossil Fuels and Energy Studies.

The eligible candidate should meet the following requirements:

1. Should be a Professor in a reputable institution and also have cognate teaching, research and consulting experience in the field of Petroleum Engineering.
2. Should be self-motivated and possess the capacity to embrace team approach to solving problems and should have carried out verifiable research and parade high impact publications in relevant aspects of Petroleum Engineering.
3. Should possess the capacity to initiate value-adding studies to the oil and gas industry, the academia and the wider society.
4. Should be in any areas of Reservoir Engineering, Production Engineering and Drilling Engineering and must be a registered engineer.

CONDITIONS OF SERVICE

As approved by the Board of Trustees, the appointment is for one (1) year in the first instance and renewable for another term of one (1) year. The holder will enjoy current level salary and allowances of a full Professor, to be paid by the University and an additional grant to support the activities of the holder (such as funding support for research, conferences, travels, technical and secretarial services, among others) under the auspices of the PTDF Professorial Chair Endowment.

The occupant will be required to give an annual lecture, publish and disseminate research results and organize major seminars/lectures/symposia.

METHOD OF APPLICATION

Interested applicants should forward twenty-five (25) copies of their Curriculum Vitae, stating phone numbers, e-mail addresses, age, marital status, qualifications, experience (teaching, research and publications) to reach the Registrar, University of Ibadan, within six (6) weeks of this publication.

Candidates are also advised to request three (3) referees to forward confidential reports on them to the Registrar.

Thank you.
