05 September, 2019

POST UTME: LECTURE/WORK FREE DAYS

The POST-UTME screening exercise for the 2019/2020 academic session has been scheduled for Friday, 06 and Saturday, 07 September, 2019.

In view of the large crowd expected as well as the involvement of staff of Main Campus in the exercise, Management has directed that the specified days be declared as lecture/work free days for the exercise.

Thank you.
