### RESUMPTION OF DUTIES

The University management noted the recent circular by the Head of Service of the Federation that certain categories of staff in the public service should resume work.

Management wishes to clarify that the directive did not specifically address the resumption of work by the University's staff stressing that such directive could only come from the Federal Ministry of Education via the National Universities Commission (NUC).

Furthermore, the **Implementation Guidelines for Containment of COVID-19** dated 30th April 2020, from the Office of the Secretary to the Government of the Federation, has stated in respect of Academic Institutions that **All schools to remain closed till further evaluation.**

Consequently, the Vice-Chancellor, Prof. Abel Idowu Olayinka advised that staff of the University should maintain the status quo by working from home.

Only staff on essential duties are expected to resume work and these officers must maintain safety and personal hygiene as advised by the Nigeria Centre for Disease Control.

Thank you.
