In approving the Calendar, Senate noted the prevailing circumstances occasioned by the second wave of the COVID-19 pandemic and the need to comply with the protocols established for the control of the spread of the pandemic. It, therefore, agreed that the 2020/2021 First Semester lectures will be delivered online. In this regard, students will not be accommodated on campus.

Senate also approved the cancellation of the 2019/2020 session. The next session is, therefore, renamed 2020/2021 Academic Session. Consequently, students who have been admitted for the 2019/2020 session will now be regarded as the 2020/2021 intakes.

Kindly note that online opening of Registration Portal and Orientation Programme for the 2020/2021 intakes may commence ahead of the Sat 20/02/21 date indicated above.

Thank you.
