### **HAPPY EASTER 2021**

This is to wish all staff, students and stakeholders of the University of Ibadan Happy Easter 2021.

May the risen Christ bring us and our household abundant joy and blessings. May we all partake fully in all that Christ accomplished by His death and resurrection.

Thank you all for all contributions and sacrifices towards the stability and progress of our beloved University.

By our collective efforts and the grace of the almighty God, we shall surmount our challenges, excel on all fronts and realise the vision and noble goals of the University of Ibadan.

Thank you and do have a blessed Easter holiday.
