At its meeting on Monday, 17 May, 2021 Senate discussed all matters relating to the physical resumption of academic activities for the rest of the 2020/2021 academic session, and decided to set up an Ad-hoc Committee to propose a date and implementation plan.

The Committee is expected to submit its report on Monday, 24 May, 2021 for the consideration of Management

Given the above, Management hereby dissociates itself from publications which have gone viral on the social media on the matter.

Thank you.
