Special Release

26 January, 2016

### **UNIVERSITY OF IBADAN BULLETIN GOES ELECTRONIC**

This is to inform the University community (staff, students, guests, etc) that the University Bulletin will now be published in an electronic format (HTML email, PDF file and University website). The maiden edition of the eBulletin was published on Saturday, 5 December, 2015 to UI email addresses.

The eBulletin and paper copy of the Bulletin will be simultaneously published for the next three (3) months, that is, December 2015 - February 2016. Thereafter, only the eBulletin will be published.

The eBulletin will enable wider circulation of the University news, access to more members of the community, thereby eliminating paper production costs, making news publication faster with easy archiving.

Members of the community are, therefore, expected to subscribe online.

Note: For details on how to forward email messages from UI to other email systems (e. g. Yahoo, Google), kindly visit <http://ui.edu.ng/fwd-mail-from-uimail.pdf>

Any enquiries on this should be directed to the Director of ITeMS, Dr. 'Seyi Osunade ([08033264855](tel:08033264855)) and Director of Public Communication, Mr. O. M. Oladejo ([08077284442](tel:08077284442)).

Thank you.

**O. I. Olukoya, MNIM, FPA**
