### WORK STUDY SCHEME

Work Study Scheme is meant to assist students in financial needs through creation of jobs, which can fetch them a token to cater for their immediate financial needs while they are still studying. We, therefore, plead and solicit for patronage of the University community to create job opportunities for students who have shown interest to take up part-time jobs.

The following under-listed positions are available areas where students can be engaged if given the opportunity to serve:

1. Research Assistantship
2. Library Assistantship
3. Lesson Teachers (All Subjects)
4. Computer Operator/Analyst
5. Ushering Job
6. Servers at Occasions
7. Sales Representatives/Marketing of Products
