Special Release

24 March, 2016

**CALL FOR APPLICATION INTO THE PAN AFRICAN UNIVERSITY 2016/2017  
ACADEMIC SESSION**

The Pan African University is a Continental Initiative of the African Union Commission, Addis Ababa, having five institutes located in each of the five sub regions of Africa mainly:

- i. Life and Earth Sciences Institute (including Health and Agriculture), in Nigeria, West Africa –University of Ibadan
- ii. Basic Sciences, Innovation and Technology in Kenya ,East Africa
- iii. Governance, Humanities and Social Sciences (Cameroon, Central Africa)
- iv. Water and Energy Sciences (including climatic change), Algeria, North Africa
- v. Space Sciences in Southern Africa.

Applications are hereby invited from suitably qualified candidates for admission to the Masters Degree programme in any of the courses available in the five institutes.

PhD programmes are also available at the institutes located in Nigeria (University of Ibadan) and Kenya.

It is to be noted that scholarship opportunities are available at the Masters and PhD levels.

Interested individuals (graduate students inclusive and staff on part time basis) are also encouraged to apply for all the Institutes.

More information can be obtained from [www.pau-au.org/apply](http://www.pau-au.org/apply).

Thank you.
