Special Release

06 November, 2017

OPENING OF THE PORTAL FOR STUDENTS TO APPLY TO THE EMERGING YOUNG ENTREPRENEUR (EYE) AFRICA BUSINESS PLAN COMPETITION

This is to inform the University community, especially, students, that the University of Ibadan has signed an MoU with the Emerging Young Entrepreneur (EYE) Initiative, a non-profit organisation that aims to identify young aspiring Agripreneurs across African Universities, foster interest in the minds of African youths to explore the Agribusiness sector, and create a network of young Agripreneurs who will build the foundation for an emerging capitalist Africa.

METHOD OF APPLICATION

Applicants should visit <https://eyeafrica.org/university-of-ibadan/>.

To qualify for the competition, applicants must:

1. Be full time students of University of Ibadan
2. Be certified to be 100, 200, or 300 level students at the time of application

The competition process includes programs that will equip participants with life changing Agribusiness knowledge and entrepreneurship skills, and give participants access to:

- A pool of mentors
- Financing
- Prototyping and Incubation Support
- Business networks

The competition video will also be flagged on the University's website.

Thank you.
