**TOWARDS THE UNIVERSITY OF IBADAN RESEARCH AND DEVELOPMENT FAIR  
(UIRESDEV) 2018**

This is to remind the University community that the UIRESDEV Fair was established by Senate to promote the spirit of enquiry, research and discovery and contribute to local and global development through creativity and innovation. Unfortunately, the response of some Faculties and Institutes to abstract submission and participation during the Fair was either poor or non-existent.

To facilitate adequate co-ordination and better participation during the 2018 UIRESDEV Fair, to celebrate the 70<sup>th</sup> Anniversary of the University, the Office of the Deputy Vice-Chancellor (Research, Innovation and Strategic Partnerships) has, therefore, directed that:

1. Each Faculties/Institutes should immediately set up a UIRESDEV Fair Committee headed by Deans/Directors or their designate on the Central UIRESDEV Fair Committee.
2. No parallel programme or activities should be scheduled for 7<sup>th</sup> and 8<sup>th</sup> November, 2018 when the 2018 UIRESDEV Fair will hold.

Thank you.
