Special Release

12 October, 2018

## **INTERNAL AND EXTERNAL ADVERTISEMENT**

Applications are invited from suitably qualified candidates for the following academic positions:

### **1. FACULTY OF VETERINARY MEDICINE**

1) Department of Veterinary Anatomy

#### **Lecturer II**

Applicants must possess a Doctor of Veterinary Medicine (DVM) Degree from a recognised University and be registered with the Veterinary Council of Nigeria with a current practising licence. A Master in Veterinary Anatomy Degree, evidence of scholarly publications in reputable outlets or evidence of Ph.D Degree programme will be an advantage.

2) Department of Veterinary Medicine

#### **Lecturer II**

#### **Area of Specialisation**

Swine Medicine  
Aquatic Animal and Wildlife Medicine

Applicants must possess a Doctor of Veterinary Medicine (DVM) Degree from a recognised University and be registered with the Veterinary Council of Nigeria with a current practising licence. A Master in Veterinary Medicine Degree. Clinical experience in swine is required for Swine Medicine applicants while Aquatic Animal handling and or Wildlife is required for applicants for Aquatic and Wildlife Medicine. In addition, evidence of scholarly publications in reputable outlets or evidence of Ph.D Degree programme will be an advantage.

3) Department of Veterinary Microbiology

## **Lecturer II**

## **Area of Specialisation**

Veterinary Virology

Applicants must possess Doctor of Veterinary Medicine Degree from a recognised University and be registered with the Veterinary Council of Nigeria with a current practising licence. Applicants must also possess Master of Science Degree or Master of Veterinary Science Degree in Veterinary Microbiology. Evidence of scholarly publications in reputable outlets and of current registration for the Ph.D Degree programme will be an advantage.

## **2. AFRICA REGIONAL CENTRE FOR INFORMATION SCIENCE**

### **Lecturer II**

Computer Programming

### **Area of Specialisation**

- Software Development
- Mobile and Web apps Development
- Data Mining and Web analytics
- Digital/online marketing
- Artificial intelligence
- Virtual Reality and Exponential Technologies

Applicants must possess a Ph.D Degree in Information Science or related disciplines. In addition, the candidate must have one year teaching experience at the university level. Evidence of scholarly publication in reputable outlets will be an advantage.

## **3. FACULTY OF SCIENCE**

### 1. Department of Physics

#### **Assistant Lecturer**

#### **Area of Specialisation**

**Solid State/Condensed Matter Physics**

Applicants must possess a Bachelor of Science and Master of Science Degrees in Physics and also show evidence of registration for the Ph.D Degree programme. Ph. D candidates in Solid State/ Condensed Matter Physics will be an advantage.

#### **Lecturer II**

#### **Area of Specialisation**

**Solid State/ Condensed Matter Physics**

Applicants must possess Bachelor of Science, Master of Science and Ph.D Degrees in Physics, Candidates with specialisation in Solid State/ Condensed Matter Physics will be an advantage.

Applicants must also show evidence of three years research and teaching experience at the university level.

**Assistant Lecturer**

**Area of Specialisation**  
**Theoretical Physics**

Applicants must possess a Bachelor of Science and Master of Science Degrees in Physics and also show evidence of registration for the Ph.D Degree programme. Ph. D candidates with a specialisation in Theoretical Physics will be an advantage.

**Lecturer II**

**Area of Specialisation**  
**Theoretical Physics**

Applicants must possess Bachelor of Science, Master of Science and Ph.D Degrees in Physics, candidates with specialisation in Theoretical Physics will be at an advantage. Applicants must also show evidence of two years research and teaching experience at the university level.

2. Department of Chemistry

**Assistant Lecturer**

**Area of Specialisation**  
**Inorganic Chemistry**

Applicants must possess a Bachelor of Science and Master of Science Degrees in Chemistry with specialised interest in Coordination Chemistry, Bioinorganic Chemistry or Material Science. Candidate must show demonstrable competence in Computer literacy and also show evidence of registration for the Ph.D Degree programme.

**Lecturer II**

**Area of Specialisation**  
**Inorganic Chemistry**

Applicants must possess a Bachelor of Science, Master of Science and Ph.D Degrees in Chemistry with specialised interest in Coordination Chemistry, Bioinorganic Chemistry or Material Science. Candidate must show demonstrable competence in Computer literacy. Previous teaching experience at a tertiary level and evidence of scholarly publications in reputable outlets will be an advantage.

3. Department of Botany

**Lecturer II**

**Area of Specialisation**  
**Palynology**

Applicants must possess a Bachelor of Science, Master of Science Degrees in Botany and a Ph.D Degree in palynology. Evidence of scholarly publications in reputable outlets will be an added advantage.

4. Department of Geology

**Assistant Lecturer**

**Area of Specialisation**  
**Economic and Mining Geology**

Applicants must possess a Bachelor and Master of Science Degrees in Economic and Mining Geology. Applicants must be members of relevant professional bodies and must be registerable with COMEG. Applicants must show evidence of current registration for the Ph.D Degree programme.

**Lecturer II**

**Area of Specialisation**  
**Economic and Mining Geology**

Applicants must possess a Bachelor, Master of Science and Ph.D Degrees in Economic and Mining Geology. Applicants must be members of relevant professional bodies and must be registerable with COMEG. Evidence of scholarly publications in reputable outlets will be an advantage.

**Assistant Lecturer**

**Area of Specialisation**  
**Petroleum Geology/ Sedimentology**

Applicants must possess a Bachelor and Master of Science Degrees in Petroleum Geology/ Sedimentology. Applicants must be members of relevant professional bodies and must be registerable with COMEG. Applicants must show evidence of current registration for the Ph.D Degree programme.

**Lecturer II**

**Area of Specialisation**  
**Petroleum Geology/ Sedimentology**

Applicants must possess a Bachelor of Science, Master of Science and Ph.D Degrees in Petroleum Geology/ Sedimentology. Applicants must be members of relevant professional bodies and must be registerable with COMEG. Evidence of scholarly publications in reputable outlets will be an advantage.

5. Department of Statistics

**Assistant Lecturer**

**Area of Specialisation**  
**Computation Statistics**

Applicants must possess a Bachelor of Science and Master of Science Degrees in Statistics. Applicants must show demonstrable competence in the use of Statistical softwares. Applicants must show evidence of current registration for the Ph.D Degree programme.

**Lecturer II**

**Area of Specialisation**

### **Computation Statistics**

Applicants must possess a Bachelor of Science, Master of Science and Ph.D Degrees in Statistics. Applicants must show demonstrable competence in the use of Statistical softwares. Evidence of scholarly publications in reputable outlets will be an advantage.

#### **Assistant Lecturer**

#### **Area of Specialisation Environmental Statistics**

Applicants must possess a Bachelor of Science and Master of Science Degrees in Statistics. Applicants must show demonstrable competence in the use of Statistical softwares. Applicants must show evidence of current registration for the Ph.D Degree programme.

#### **Lecturer II**

#### **Area of Specialisation Environmental Statistics**

Applicants must possess a Bachelor of Science, Master of Science and Ph.D Degrees in Statistics. Applicants must show demonstrable competence in the use of Statistical softwares. Evidence of scholarly publications in reputable outlets will be an advantage.

### 6. Department of Mathematics

#### **Assistant Lecturer**

#### **Area of Specialisation Operations Research/ Optimization Theory**

Applicants must possess a Bachelor of Science and Master of Science Degrees in Mathematics. Applicants must show evidence of current registration for the Ph.D Degree programme.

#### **Lecturer II**

#### **Area of Specialisation Operations Research/ Optimization Theory**

Applicants must possess a Bachelor of Science, Master of Science and Ph.D Degrees in Mathematics. Evidence of scholarly publications in reputable outlets will be an advantage.

## **4. FACULTY OF AGRICULTURE**

### 1. Department of Agricultural Extension and Rural Development

#### **Assistant Lecturer**

#### **Area of Specialisation Clothing and Textile**

Applicants must possess a Master Degree with specialisation in Clothing and Textile; also show evidence of registration for Ph.D Degree in the specialised area mentioned. Possession of Bachelor of Science in Home Economics (Clothing and Textile) and evidence of scholarly publication in reputable outlets will be advantages.

### 2. Department of Agronomy

#### **Assistant Lecturer**

#### **Area of Specialisation**

## Plant Nutrition and Soil Fertility

Applicants must possess a Bachelor Degree of Agriculture in the general area of Crop Science/Crop Production/ Horticulture and a Master Degree with specialisation in Plant Nutrition/Soil Fertility and also show evidence of registration for Ph.D Degree in the specialised area mentioned.

### **Lecturer II**

### **Area of Specialisation**

Plant Nutrition and Soil Fertility

Applicants must possess a Bachelor Degree of Agriculture in the general area of Crop Science/Crop Production/ Horticulture with a Master and Ph.D Degrees specialising in Plant Nutrition/Soil Fertility. Evidence of scholarly publication in reputable outlets will be an advantage.

### **Assistant Lecturer/ Lecturer II**

### **Area of Specialisation**

Farming Systems

Applicants must possess a Bachelor Degree of Agriculture in the general area of Field Crops/Crop Production/ Horticulture/ Agronomy and a Master Degree and also show evidence of registration for Ph.D Degree in the specialised area mentioned. Applicants for Lecturer II should possess Ph.D Degree in any of the specified areas but with bias in Farming Systems. Applicants with demonstrable knowledge of Soil fertility and evaluation, while being conversant with agricultural statistics and or computer skill will be given preference.

## 3. Department of Crop Protection and Environmental Biology

### **Assistant Lecturer**

### **Area of Specialisation**

Vertebrate Pest Management

Applicants must possess a Bachelor and Master Degrees in related discipline, with specialisation in Ecology. Applicants must have demonstrable competence in crop protection and field ecology techniques to teach and conduct research in Vertebrate Pest Management and also show evidence of registration for Ph.D Degree in the specialised area mentioned.

## **5. FACULTY OF TECHNOLOGY**

### Department of Mechanical Engineering

### **Lecturer II**

Applicants must possess Bachelor Degree in Mechanical Engineering or Allied Engineering Discipline and a Master Degree in Mechanical Engineering and must be registerable with the Council for Regulation of Engineering in Nigeria (COREN). Applicants must show evidence of current registration for the Ph.D Degree programme with specialisation in Solid Mechanics, Manufacturing or Production Engineering.

## 6. FACULTY OF EDUCATION

### 1. Department of Human Kinetics and Health Education

**Assistant Lecturer**

**Area of Specialisation**  
Sports Administration/ Management

Applicants must possess a Bachelor of Education Degree and a Master of Education Degree in Sports Administration/ Management with a demonstrable professional competence in teaching practical in at least three of the following sports skills: Swimming, Track & Field Hockey, Tennis and Table Tennis. Applicants must show evidence of current registration for the Ph.D Degree programme

**Lecturer II**

**Area of Specialisation**  
Sports Administration/ Management

Applicants must possess a Bachelor of Education Degree, Master of Education or Master of Science in Education Degree in Sports Administration/ Management and Ph.D Degree in Sports Administration /Management with a demonstrable professional competence in teaching practical in at least three of the following sports skills: Swimming, Track & Field Hockey, Tennis and Table Tennis. Evidence of scholarly publications in reputable outlets will be an advantage.

### 2. Department of Arts and Social Sciences Education

**Assistant Lecturer**

**Area of Specialisation**  
Curriculum and Instruction

Applicants must possess a Bachelor of Education Degree in any of the subjects offered in the Department and Master of Education Degree in curriculum and Instruction. Applicants must show evidence of current registration for the Ph.D Degree programme.

**Lecturer II**

**Area of Specialisation**  
Curriculum and Instruction

Applicants must possess a Bachelor of Education Degree in any of the subjects offered in the Department, Master of Education and Ph.D Degrees in curriculum and Instruction. Evidence of scholarly publications in reputable outlets will be an advantage.

**Assistant Lecturer**

**Area of Specialisation**  
Social Sciences Education

Applicants must possess a Bachelor of Science Degree in Political Science and a Master of Education Degree in the Social Sciences (Social Studies Education) Applicants must show evidence of current registration for the Ph.D Degree programme.

**Lecturer II**

**Area of Specialisation**

Applicants must possess a Bachelor of Science Degree in Political Science, Master of Education and Ph.D. Degrees in the Social Sciences (Social Studies Education) Evidence of scholarly publications in reputable outlets will be an advantage.

3. Department of Early Childhood Educational Foundation

**Assistant Lecturer**

**Area of Specialisation**

Educational Foundation  
(Sociology of Education)

Applicants must possess a Bachelor of Education Degree or any other area with a Postgraduate Diploma in Education (PGDE) and a Master of Education in Teacher Education/ Educational Foundation. Applicants must show evidence of current registration for the Ph.D Degree programme in the area of Specialisation.

**Lecturer II**

**Area of Specialisation**

Educational Foundation  
(History and Policy of Education)

Applicants must possess a Bachelor of Education Degree or any other area with a Postgraduate Diploma in Education (PGDE), a Master of Education and Ph.D in History and Policy of Education. Evidence of scholarly publications in reputable outlets will be an advantage.

**Lecturer II**

**Area of Specialisation**

Educational Foundation  
(Early Childhood Education)

Applicants must possess a Bachelor of Education Degree or any other area with a Postgraduate Diploma in Education (PGDE), a Master of Education and Ph.D Degree in Early Childhood Education. Evidence of scholarly publications in reputable outlets will be an advantage.

4. Department of Science and Technology Education

**Assistant Lecturer**

**Area of Specialisation**

Chemistry Education

Applicants must possess a Bachelor of Education Degree in Chemistry Education or Bachelor of Science in Chemistry plus a Postgraduate Diploma in Chemistry Education (PGDE) and a Master of Education Degree in Science Education or Master of Science with PGDE. Applicants must show evidence of current registration for the Ph.D Degree programme in the area of Specialisation.

**Lecturer II**

**Area of Specialisation**

Chemistry Education

Applicants must possess a Bachelor of Education Degree in Chemistry Education or Bachelor of Science in Chemistry plus a Postgraduate Diploma in Chemistry Education (PGDE) and a

Master of Education Degree in Science Education or Master of Science with PGDE and a Ph.D Degree in Science Education. Evidence of scholarly publications in reputable outlets will be an advantage.

## **7. FACULTY OF ECONOMICS**

Department of Economics

### **Assistant Lecturer / Lecturer II**

Applicants must possess Bachelor and Master of Science Degrees in Economics for Assistant Lecturers who must also show evidence of current registration for the Ph.D Degree programme

Possession of a Ph.D Degree in Economics from a recognised university and evidence of scholarly publications in reputable outlets is required for Lecturer II applicants.

Applicants must be competent to teach Microeconomics, Macroeconomics and Quantitative Economics, Mathematics for Economists and Econometrics.

## **8. FACULTY OF RENEWABLE NATURAL RESOURCES**

### **1. Department of Forest Production and Products**

#### **Lecturer II**

#### **Area of Specialisation**

Ethnforestry

Applicants must possess a Bachelor Degree in any of the following disciplines: Forestry, Forest Resources Management and Forestry and Wildlife Management; Master of Science Degree in Forest Resources Management, Botany, Pharmacology and any other related disciplines with specialisation in Phytomedical Forestry. In addition to the above requirements candidates must possess Ph.D Degree in Forestry, Botany and other related disciplines with specialisation in Ethnobotany/Phytomedicine. Evidence of scholarly publications in reputable outlets will be an advantage.

**Assistant Lecturer**

**Area of Specialisation**

Wood Anatomy/Forest Products Preservation

Applicants must possess a Bachelor Degree in any of the following disciplines: Forestry, Forest Resources Management and Forestry and Wildlife Management, Master of Science Degree in Forest Resources Management with specialisation in Wood and Fibre Science. Applicants must show evidence of current registration for the Ph.D Degree programme in area of Wood Anatomical Characterisation and Tropical wood preservation Studies.

**Lecturer II**

**Area of Specialisation**

Wood Anatomy/Forest Products Preservation

Applicants must possess a Bachelor Degree in any of the following disciplines: Forestry and Forest Resources Management; Master of Science Degree in Forest Resources Management with specialisation in Wood and Fibre Science and Ph.D Degree in the area of Forest Products and Anatomical Characterisation. Evidence of scholarly publications in reputable outlets will be an advantage.

2. Department of Social and Environmental Forestry

**Lecturer II**

**Area of Specialisation**

Forest Biometrics

Applicants must possess a Bachelor Degree in any of the following disciplines: Forestry or Agricultural Technology; Master of Science Degree in Forest Resources Management (Option: Forest Biometrics). In addition to the above requirements candidates must possess Ph.D Degree (Option: Forest Biometrics). Evidence of scholarly publications in reputable outlets will be an advantage.

**Assistant Lecturer**

**Area of Specialisation**

Forest Policy, Law and Administration

Applicants must possess a Bachelor Degree in any of the following disciplines: Forestry or Agricultural Technology and Master of Science Degree in Forest Resources Management (With bias in Forest Policy/ Forest Law/ Forest Administration). Applicants must show evidence of current registration for the Ph.D Degree programme

**Lecturer II**

**Area of Specialisation**

Forest Policy, Law and Administration

Applicants must possess a Bachelor Degree in any of the following disciplines: Forestry or Agricultural Technology, Master of Science Degree in Forest Resources Management (With bias in Forest Policy/ Forest Law/Forest Administration). In addition to the above requirements

candidates must possess Ph.D Degree (With bias in Forest Policy/ Forest Law/ Forest Administration). Evidence of scholarly publications in reputable outlets will be an advantage.

3. Department of Wildlife and Ecotourism Management

**Assistant Lecturer**

**Area of Specialisation**

Wildlife Ecology

Applicants must possess a Bachelor and Master Degrees in relevant discipline of Wildlife. Applicants must show evidence of current registration for the Ph.D Degree programme.

**Lecturer II**

**Area of Specialisation**

Wildlife Ecology

Applicants must possess a Bachelor, Master and Ph.D Degrees in relevant discipline of Wildlife. Evidence of scholarly publications in reputable outlets will be an advantage.

4. Department of Aquaculture and Fisheries Management

**Lecturer II/I**

**Area of Specialisation**

Fish Larviculture and Hatchery

Management

Applicants must possess a Bachelor and Master Degrees in relevant discipline with a Ph.D Degree in Fisheries Management. Evidence of scholarly publications in reputable outlets will be an advantage.

## 9. FACULTY OF LAW

**Lecturer II**

**Area of Specialisation**

Jurisprudence and International Law  
Private and Property Law  
Commercial and Industrial Law  
Public Law

Applicants must possess a Bachelor and Master Degree in Law. Must have been called to the Nigerian Bar. Possession of Ph.D Degree in Law and evidence of scholarly publications in reputable outlets will be an advantage.

## 10. CENTRE FOR SUSTAINABLE DEVELOPMENT

**Senior Lecturer**

**Area of Specialisation**

Development Practice Programme  
Tourism and Development Programme  
Indigenous Knowledge and Development Programme  
Climate and Society Programme  
Sustainable Integrated Rural Development Programme

Applicants must possess Bachelor, Master and Ph.D Degrees with Six (6) years teaching experience in a recognised University and evidence of scholarly publications in reputable outlets plus registration with relevant professional bodies where applicable will be an advantage.

**Lecturer I**

**Area of Specialisation**

Development Practice Programme  
Tourism and Development Programme  
Indigenous Knowledge and Development Programme  
Climate and Society Programme  
Sustainable Integrated Rural Development Programme

Applicants must possess Bachelor, Master and Ph.D Degrees with three (3) years teaching experience in a recognised University and evidence of scholarly publications in reputable outlets plus registration with relevant professional bodies where applicable will be an advantage.

**Lecturer II**

**Area of Specialisation**

Development Practice Programme  
Tourism and Development Programme  
Indigenous Knowledge and Development Programme  
Climate and Society Programme  
Sustainable Integrated Rural Development Programme

Applicants must possess Bachelor, Master and Ph.D Degrees with registration with relevant professional bodies where applicable will be an advantage.

**METHOD OF APPLICATION**

Applicants should forward their applications and detailed Curriculum Vitae (20 copies) stating: Date of Birth (not Age), Marital Status, State of Origin, L.G.A., Mobile Telephone Number, E-mail Address, Academic Qualifications, Previous Work Experience, Publications (if any), Names and Addresses of three (3) Referees and enclose two sets of photostat copies of relevant credentials to reach the Deputy Registrar Establishments (Academic Staff), University of Ibadan, Ibadan, Nigeria, not later than six weeks from the date of this publication.

Applicants should request their referees to send reports on them on letter head and under confidential cover, indicating the positions and department to which they have applied, direct to the Deputy Registrar Establishments (Academic Staff) from whom further details may be obtained.

Applicants are required to indicate the position and Department to which they applied in the application as well as on the envelope containing the application.

Only the applications of shortlisted candidates will be acknowledged.

Shortlisted applicants would be required to make a departmental seminar presentation on a completed or ongoing research work in their area of interest before they are finally shortlisted for the oral interview.
