Special Release

11 January, 2016

### **CAUTION ON BUSH BURNING**

**Management wishes to remind members of the University community to be mindful of safety of lives and property as they desist from bush burning, especially during this dry season.**

**Management noted that the situations where there are fire incidents on campus by unknown persons hunting for bush meat, which nearly inflicted horrendous damages, are worrisome.**

**In case of fire outbreak, please CALL ANY OF the following Campus Fire Service call lines**

#### **UI FIRE SERVICES CALL LINES:**

**[\(1\) 0812 686 9777](tel:08126869777)**
