TALLIES AND STICKERS FOR THE UNIVERSITY'S OFFICIAL VEHICLES

As part of the upgrade of security of official vehicles in the University, Management has decided that security tallies and stickers be issued to all official vehicles.

All Deans, Directors, Heads of Departments and allied Units are enjoined to please arrange for the collection of these security items for all their official vehicles from the Campus Security's Main Office.

It is important to note that all official vehicles may soon be disallowed from exiting the campus without these security items.

Thank you.
