Special Release

10 October, 2025

INTERNAL AND EXTERNAL ADVERTISEMENT

University of Ibadan students enjoy Federal Government Health Care Scheme commonly referred to as Tertiary Institutions Social Health Insurance Programme (TISHIP) which involves an insurance package whereby Health Maintenance Organisations (HMOs) collaborate with the University Health Service on health care delivery to the students.

The University of Ibadan is pleased to announce the vacancy for the appointment of new Health Maintenance Organisations (HMOs) for 2025/2026 and 2026/2027 sessions.

Eligible HMOs must possess:

- (i) Evidence of registration and accreditation from the National Health Insurance Authority (NHIA).
- (ii) Wealth of experience in handling TISHIP with comprehensive network and qualitative service delivery.
- (iii) Robust package with the use of relevant technology and new trends in excellent health care delivery.
- (iv) Flexibility to meet the unique needs of students in order to improve their general well-being.
- (v) Good Corporate Social Responsibility (CSR) Programmes.

Interested HMOs should forward their application letters to the Office of the Registrar, University of Ibadan, not later than four (4) weeks from the date of this advertisement.

Shortlisted HMOs will be allowed to give a fifteen-minute presentation during the interactive session.

Thank you.

G. O. Saliu, *fspsp, FCIML, FNIM, MANUPA, MAUA*
Registrar and Secretary to Council
